“The business is Established By the Society for the Society and to the Society”

1. INTRODUCTION

Corporate Social Responsibility is strongly connected with the principles of sustainability; an organization should make the decisions based not only on financial factors, but also on the social & environmental consequences. Therefore, it is the core corporate responsibility of **"Kwality Polythreads Private Limited"** to practice its corporate values through its commitment to grow in a socially & environmentally responsible way, while meeting the interests of its stakeholders.

"Kwality Polythreads Private Limited" recognizes that its business activities have wide impact on the societies in which it operates, and therefore an effective practice is required giving due consideration to the interests of its stakeholders including customers, employees, suppliers, local communities & other organizations. The company endeavors to make CSR a key business process for sustainable development. Our company is committed towards aligning with nature; & has adopted eco-friendly practices. **"Kwality Polythreads Private Limited"** is committed to undertake CSR activities in accordance with the provision of Section 135 of the companies Act, 2013 & rules framed thereunder.

Hence, the Policy has been formulated in compliance with Notification dated 27th February, 2014 issued by Ministry of Corporate Affairs regarding Companies (Corporate Social Responsibility Policy) Rules, 2014; Schedule VII and Section 135 of Companies Act, 2013, which is effective from 20th October, 2016.

2. OBJECTIVES

Corporate Social Responsibility (CSR) is the responsibility of the corporate entity towards the society in consideration of the support given and sacrifices made by the society. Therefore, they have a responsibility towards the society to share a part of their profit.

Broadly the CSR Policy was expected to cover the following four core elements:

1. **Care for all stakeholder:** It is responsibility of the corporate to take care the interest of all stakeholders including Customers, shareholders, creditors, supplier, employees, project affecting persons and of course the society where it operates.
2. **Ethical Functioning:** Ethics are the values, behavior, nature, conduct of the person or persons in any organization or society. The best Ethical practices are also awarded. They should not engage in any abusive, unfair, anti-competitive or corrupt language.
3. **Respect for Worker's Right and Welfare:** The companies should provide the workplace environment that is safe, hygienic and humane to work. They should be taken care of the health issues arising out of the work of the organization. It should conduct the training and development program within the organization for the people of the organization.

4. **Respect for Environment:** The companies are required to utilize the Planet i.e., Natural Capital in a well manner so that it cannot be wasted, excess utilized which is also required for the other states or countries and also requires to be preserve for the future generation.

Accordingly, Companies Act, 2013 read with Schedule VII has precisely reserved the interest of all stakeholders while enumerating the list of CSR activities and making CSR activities as statutory obligation for corporates to take initiatives towards Social, Environmental and Economic Responsibilities earlier which was only a Voluntary Guidelines known as “National Voluntary Guidelines on Social, Environmental and Economic Responsibilities of Business” notified on 8th July, 2011. Consequence of Inserting section 135 of Companies Act, 2013 every company falling under Subsection (1) of said Section such Company will have to spend in every financial year, at least two per cent of the average net profits of the company made during its three immediately preceding financial years. However, a company ceased to be covered under Section 135(1) for three consecutive financial years, it shall not be required to constitute a CSR Committee and comply with the provision thereof.
